Description:

Beautiful set of NEW CONSTRUCTION homes, with terraces, and spectacular penthouses. Designed with distributions and qualities to achieve maximum space, functionality and light in each room. Its unbeatable distributions provide an urban character, prioritizing the use of spaces and the functionality of the homes. The houses have large living rooms and kitchens, as well as large windows connected to large terraces where you can recreate and enjoy life outside without leaving home. All homes have parking spaces and storage. Possibility of customizing both flooring and kitchen furniture, carpentry, etc... Particularly comfortable and functional homes, with large communal gardens and swimming pool. And all this, in an ideal location, just 10 min. from the beach and the town center. Do not hesitate, and call us for more information, plans, quality reports, customization options, and types of homes.
