Description:

Fantastic semi-detached house in the Bahía Dorada Urbanization, with frontal views of the sea, on the first line, and with direct access to the sand of the Beach.

Located just a few minutes from the town center of Estepona, and connected through the Senda Litoral, this urbanization is a paradise for lovers of open spaces, well-kept gardens, and above all for those who want to enjoy the sea just a few meters away. from his house.

It has two bedrooms and two bathrooms, a garden with direct access to the promenade, and a terrace with beautiful views.

Urbanization with several community pools, tennis courts, large gardens, etc... A true paradise in Estepona.

Do not hesitate, and make an appointment to visit this beautiful home, before it disappears from the market.

You will love it.
