description:

Magnificent apartment of 120 square meters, just a step from the Beach.

Located in the beach front line, and with side views to the sea from its terrace.

Four bedrooms.

Unbeatable opportunity to acquire a large house almost on the beach, and at a great price. The area is surrounded by all services and main attractions of the city. The promenade and the wonderful beach of la Rada is just 20 metres from the door of the house, and the historic centre is also just a step.

do Not hesitate. Ideal as an investment given its low price and excellent rental potential throughout the year, and of course unbeatable as a place to live, given its size and unbeatable location.

Ask for appointment to visit this great apartment, without compromise.
