description:

This attractive development has 36 semi-detached houses: each with beautiful views of the countryside and the sea. The modern chalets are divided into two levels and offer a stylish open plan design. The living room is spacious and includes a fully equipped kitchen and an elegant living room with a dining area. Its privileged orientation means that it receives a lot of natural light. The exquisite bedrooms have an en-suite bathroom, and the master bedroom also includes a dressing room, perfect for modern living. To be sure, semi-detached villas of this caliber, with a stunning rooftop solarium with commanding views of the sea, are not common in this area. Your private entrance and, of course, the well-kept outdoor areas, help you to set up your personal Mediterranean oasis. The high-quality design includes air conditioning and porcelain floors in all areas. Characteristics The semi-detached houses come equipped with numerous features designed for the comfort, comfort and safety of the owners, including air conditioning and private parking.
